Open Whisper Systems (abbreviated OWS) is a software organization that was founded by Moxie Marlinspike in 2013. Its main focus is the development of the Signal Protocol. It also maintains an encrypted communications application called Signal. The organization is funded by a combination of donations and grants, and all of its products are published as free and open-source software

WARNING: Always return the cocking lever or the barrel to its original position before shooting, otherwise the rifle will not work English properly and might cause damage or injury. WARNING: Before putting the safety "OFF" and shooting, use eye protection. Always use eye protection specifically designed for airguns or firearms, and wear them over prescription glasses.
