an introduction to trading pdf

So, what is forex trading market, really? The answers are simple – and complex. Here, we will go over the basics so that you, the reader, can decide if you wish to learn more.

INTRODUCTION TO THE FOREIGN EXCHANGE MARKET

Guide to Online Forex Trading 3 Introduction: Why Forex? If you are reading this guide, you have most likely taken some sort of interest in the Forex market.

Guide to Online Forex Trading

Algorithmic trading is a method of executing a large order (too large to fill all at once) using automated pre-programmed trading instructions accounting for variables such as time, price, and volume to send small slices of the order (child orders) out to the market over time. They were developed so that traders do not need to constantly watch a stock and repeatedly send those slices out manually.
