The tomato (see pronunciation) is the edible, often red, berry of the nightshade *Solanum lycopersicum*, commonly known as a tomato plant. The species originated in western South America. The Nahuatl (Aztec language) word *tomatl* gave rise to the Spanish word *tomate*, from which the English word *tomato* derived. Its use as a cultivated food may have originated with the indigenous peoples of Mexico.

### **Tomato - Wikipedia**

The Virginia House of Burgesses / ˈbɜːrɡɪs / was formed in 1642/43 by the General Assembly. By its creation, the General Assembly (established in 1619) then became bicameral. From 1642 to 1776, it was the elected representative element of the General Assembly, the legislature of Virginia, which governed together with a royally-appointed colonial governor and Council of State.
