Obesity is a growing problem, rivaling world hunger in the number of people that suffer from it. Obese people were thought to be mainly the rich, but poor people can also suffer as the food industry supplies cheaper food of poorer quality. The food industry are reluctant to take too many measures that could affect their bottom line, preferring to blame individuals instead.

With the Focus T25 workout schedule, the excuse of “I don't have time to workout” is no longer acceptable. Even before the Focus T25 workout release, I was (and still am) a firm believer that everyone can afford 1 hour a day for exercise. But some people's schedules are a little tighter—maybe you are in college doing your masters program, maybe you work 12-14 hour shifts at work ...
