This article is a major update to my previous review of Rocket Languages (updated for the new 2018 edition).. I've had to adjust some of the harsh criticisms below I made in my earlier review of their courses because the new edition has fixed or removed most of the major flaws I pointed out earlier (I've also included a video below).

Contemporary Latin is the form of the Latin language used from the end of the 19th century through the present. Various kinds of contemporary Latin can be distinguished. On the one hand there is its survival in areas such as taxonomy as the result of the widespread presence of the language in the New Latin era. This is usually found in the form of mere words or phrases used in the general ...
