A model is a person with a role either to promote, display or advertise commercial products (notably fashion clothing in fashion shows), or to serve as a visual aid for people who are creating works of art or to pose for photography.. Modelling ("modeling" in American English) is considered to be different from other types of public performance, such as acting or dancing.

Fashion is a popular style, especially in clothing, footwear, lifestyle, accessories, makeup, hairstyle and body. [citation needed] Fashion is a distinctive and often constant trend in the style in which people present themselves. A fashion can become the prevailing style in behaviour or manifest the newest creations of designers, technologists, engineers, and design managers.
