Nucor Building Systems supplies either cold-formed Zee section purlins or open . web bar joists. The decision on which structural members to use is based

The Brand of Choice - Pre Engineered Steel Buildings

To ensure that a steel bridge design can be safely, economically and reliably executed (fabricated, assembled and erected), designers should be aware of the processes of fabrication and erection, the capabilities and limitations of the steelwork contractor and how the design choices affect those processes. This article provides guidance on design for construction: it generally follows the ...
