

### **education for values in pdf**

Value education the process by which people give moral values to each other. It can be an activity that can take place in any human organisation during which people are assisted by others, who may be older, in a condition experienced to make explicit our ethics in order to assess the effectiveness of these values and associated behaviour for their own and others' long term well-being, and to ...

Character education is an umbrella term loosely used to describe the teaching of children in a manner that will help them develop variously as moral, civic, good, mannered, behaved, non-bullying, healthy, critical, successful, traditional, compliant or socially acceptable beings. Concepts that now and in the past have fallen under this term include social and emotional learning, moral ...

So What Is Positive Education? Positive education is the combination of traditional education with the study of happiness and well being, using Seligman's PERMA model and Values in Action (VIA) classification. Seligman has been working on incorporating positive psychology into education to decrease depression in younger people and enhance well being and happiness.
