Global citizenship is the idea that all people have rights and civic responsibilities that come with being a member of the world, with whole-world philosophy and sensibilities, rather than as a citizen of a particular nation or place. The idea is that oneâ€™s identity transcends geography or political borders and that responsibilities or rights are derived from membership in a broader class ...

Global citizenship - Wikipedia

Citizenship is the status of a person recognized under the custom or law as being a legal member of a sovereign state or belonging to a nation.. A person may have multiple citizenships.A person who does not have citizenship of any state is said to be stateless, while one who lives on state borders whose territorial status is uncertain is a border-lander.
